Important Vehicle Codes

In your 1988 and later GM car or truck, you will find a label on the inside of your glove box that says "RPO". This label has important codes that we need to send you the correct chip. Please locate these codes and check them off on the listings below. These codes refer to your vehicle's rear axle ratio, engine, transmission and emissions equipment.

- | | | | | | |
|------------------------------|-------------------------------|---------------------------------|------------------------------|------------------------------|------------------------------|
| <input type="checkbox"/> GT4 | <input type="checkbox"/> GU6 | <input type="checkbox"/> LB4 | <input type="checkbox"/> MD8 | <input type="checkbox"/> NA1 | <input type="checkbox"/> NB6 |
| <input type="checkbox"/> GT5 | <input type="checkbox"/> HC4 | <input type="checkbox"/> L03 | <input type="checkbox"/> M30 | <input type="checkbox"/> NA4 | <input type="checkbox"/> NB7 |
| <input type="checkbox"/> GU2 | <input type="checkbox"/> L05 | <input type="checkbox"/> MT1 | <input type="checkbox"/> NA5 | <input type="checkbox"/> NB8 | |
| <input type="checkbox"/> GU4 | <input type="checkbox"/> L19 | <input type="checkbox"/> M40 | <input type="checkbox"/> NA6 | <input type="checkbox"/> NM8 | |
| <input type="checkbox"/> GU5 | <input type="checkbox"/> 8.2L | <input type="checkbox"/> Manual | <input type="checkbox"/> NB2 | | |

CAUTION

These computer chips are for use with stock power-trains (rear axle ratio, transmission, etc.) only.

Important ECM Information

See the instruction sheet packed with your Edelbrock product for help locating the information requested below. **These numbers are essential in determining the correct chip for your application.** Please fill in the appropriate numbers.

Service Number: _____

Broadcast Code: _____
